

12-80v universal inverter

Overview

How do I use a 120W power strip inverter?

Place the PowerDrive 120W power strip inverter in the your car or truck socket 12v port and power AC devices up to 120 watts. (Surge power to 240 watts.) This car power inverter provides DC to AC power while you travel. Long 36-inch power cable lets you reach a nice distance to your devices and appliances from the power cup holder.

Which power inverter is best?

AIMS Power, PowerDrive and Renogy are among the most popular Power Inverter brands. While those brands are the most popular overall, you will also find a great assortment from Energizer, Cobra and Cummins. How much does a Power Inverter cost?

A typical price for a Power Inverter is \$150 but can range from approximately \$28 to \$1,199.

How much does a power inverter cost at Lowes?

A typical price for a Power Inverter is \$150 but can range from approximately \$28 to \$1,199. These Power Inverters are the most popular among Lowe's entire selection. While these are popular, we recommend ensuring that the Power Inverters you consider have the right mix of features and value.

What is a portable power inverter?

A smaller portable power inverter might feature a lower wattage, but they're still capable of delivering a great deal of power. These inverters include features like dual USB outlets or AC outlets, as well as an on/off switch and surge protection.
