

30kW folding container used for shopping mall transactions

Overview

What are shipping container and steel frame modular retail units?

Our shipping container and steel frame modular retail units provide a cost-effective, innovative solution for developers, start-ups, and established brands alike. Whether you need mobile, semi-permanent, or permanent retail spaces, we offer flexible options tailored to fit your vision.

Where to buy shipping containers?

While there are many options on where to buy shipping containers, On-Site Storage Solutions is a great company to consider. We offer both new and used containers for sale and for rent. We have over 60 depot locations across the United States and Canada. Where can I buy old shipping containers?

.

What is a shipping container kiosk?

By utilizing a shipping container kiosk, Modern Times Brewery cut the cost of building a permanent facility within its tasting room and can transport the booth to other spaces for future events. This 40-foot shipping container kiosk was designed for customers to be able to walk in, browse merchandise and make their purchases.

What is a shipping container retail store?

Holiday markets and live events (such as festivals, concerts, and sporting events) are other opportunities to consider. A shipping container retail store can provide additional retail space during peak sales periods and be used for secure storage the rest of the year.
