

40W household solar light

Overview

40W Solar Area Light delivers 8000 lumens of bright 4000K lighting, replacing 250W metal halide fixtures with zero electricity costs. Perfect for parking lots and walkways. IP65 rated, 100,000hr L70 lifespan, 200 LPW efficiency, monocrystalline panel, 5-year warranty.

40W Solar Area Light delivers 8000 lumens of bright 4000K lighting, replacing 250W metal halide fixtures with zero electricity costs. Perfect for parking lots and walkways. IP65 rated, 100,000hr L70 lifespan, 200 LPW efficiency, monocrystalline panel, 5-year warranty.

□Simple to Install□Simple floodlight to illuminate an area without the need of wiring live electric. It is powered by solar so almost maintenance free, but gives out pretty bright light. □Waterproof IP66 and Effective□IP66 rainproof,solar flood light is suitable for outdoor anywhere and any.

Our All in One Castor Solar Area Light is economical, easy to install, completely off grid, unique new design with all the solar lighting advantages is great solution for area such as pathway, parking lot, roadway, trails or any remote area that have no access to conventional Power. Our all in one.

The Vayda Series Solar Street Light sets a new standard in commercial-grade lighting with 3030 Osram chips delivering an impressive 230 lumens per watt, a 5700K default automatically shifting to 3000K in rainy conditions via an integrated rain sensor, and a motion sensor with 120° detection up to 8.

1.1 Integrated design and source, high capacity LiFePO4 lithium battery, high energy, and long life, light weights, green and environmental protection, do not produce any harmful substances. 1.2 LED chip with high light efficiency which can reach 180LM/W, and whole lamp light efficiency can reach.

The 40W LED Solar Light with Solar Panel provides a high-powered, sustainable lighting solution, ideal for outdoor areas requiring enhanced visibility and security. With a 6500K daylight color temperature, this solar-powered light offers bright and clear illumination that covers a wide area, making.

This solar-powered light features a convex lens design that effectively focuses

light, ensuring a wide illumination range, high brightness, and low light decay. The housing is made of aluminum alloy, offering excellent heat dissipation and corrosion resistance, making it suitable for various.
