

Berlin household energy storage power wholesale

Overview

How many home storage systems have been evaluated by the HTW Berlin?

20 home storage systems have been evaluated by the HTW Berlin, including new products from Dyness, Goodwe, Hypontech, Kostal and Pylontech. February 8, 2024 11 companies have had their results published in the 2024 energy storage inspection, stating the product names.

How is energy supplied in Berlin?

Berlin's urban area is supplied with energy via approx. 900 km of high voltage cable, 10,900 km of medium voltage cable and 23,900 km of low voltage cable. We use this to ensure that every part of Berlin has a secure energy supply. However, not every district has cables at all voltage levels.

Which home storage system has the best battery efficiency?

With a battery efficiency of 97.8 %, the pulse neo 6 home storage system from Varta came out on top. In comparison, one of the tested battery storage systems only achieved an efficiency of 87.9 % - almost 10 percentage points below the top value.
