The U.S. Department of Energy (DOE) launched the \$500 million Renew America's Schools Program to promote the implementation of energy improvements at K-12 public schools across the country. This first-of-its-kind investment aims to help school communities make energy upgrades that will decrease.

A working understanding of contract development best practices and access to standardized solar contract templates and request for proposals (RFPs) will help reduce the time and cost associated with this process by improving project transparency and accountability while accelerating solar.

Columbus, Ohio, May 22, 2025 (GLOBE NEWSWIRE) -- META Solutions, a regional council of governments serving school districts, local governments, and public entities across Ohio, is pleased to announce the award of a Master Contract to Veregy for the delivery of solar infrastructure projects. Veregy.

Contract opportunities are procurement notices from federal contracting offices. Anyone interested in doing business with the government can use this system to search opportunities. Opportunities include pre-solicitation notices, solicitation notices, award notices, and sole source notices. If you.
