

Cambodia solar container prices in 2025

Overview

Let's face it: Cambodia's solar panel price remains 20-30% higher than in neighboring Vietnam or Thailand. But why?

Well, three factors dominate: import dependence, fragmented supply chains, and limited financing options.

Let's face it: Cambodia's solar panel price remains 20-30% higher than in neighboring Vietnam or Thailand. But why?

Well, three factors dominate: import dependence, fragmented supply chains, and limited financing options. Over 80% of photovoltaic systems here rely on Chinese or European imports.

In April 2025, the U.S. Department of Commerce finalized a series of steep tariffs on solar imports from Southeast Asia, citing unfair trade practices and tariff circumvention by Chinese manufacturers. These "Liberation Day" tariffs include: Additionally, a 145% tariff has been imposed on Chinese.

The decision announced by the US Department of Commerce on the Cambodian solar panel industry could shake up Cambodia's solar panel production, which is worth more than \$800 million. The US Department of Commerce on April 21, 2025, issued a final decision imposing tariffs on solar panels imported.

At its peak in 2023, solar exports to the United States totaled \$2.4 billion, making it the country's largest manufacturing export after garments, footwear, and luggage, according to Nikkei Asia. Around a dozen factories opened between 2018 and 2022, creating thousands of jobs and briefly turning.

Phnom Penh, Cambodia — Cambodia is on track to significantly boost its solar energy share, with new figures projecting solar to make up 7% of the country's

electricity supply by 2025. This equates to a total installed capacity of 530.14 megawatts (MW) —a major leap from 3.2% in 2023 and 4.6% in.

The prices of solar energy storage containers vary based on factors such as capacity, battery type, and other specifications. According to data made available by Wood Mackenzie's Q1 2025 Energy Storage Report, the following is the range of price for PV energy storage containers in the market:.
