Low wholesale solar battery prices for on-grid and off-grid energy storage. Sealed maintenance-free batteries using gel electrolyte. Ideal for normal to high-temperature environments. Very popular for solar panel system energy storage due to their longevity and lack of fumes due to their sealed.

Looking to build off-grid power solutions with shipping containers?

Boxhub is the leading provider of new and used shipping containers for solar panel installations and battery storage. How many containers do you need?

\* I agree to receive phone and email communications from Boxhub. Boxhub is.

LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar.

Authorized Victron Energy distributor with real-time stock and easy ordering We Help You Get It Done. VOLTAICO started in a tiny Berkeley office in 2011. Today, we're a growing, hands-on Victron dealer helping teams across North America—from small shops to major integrators—source premium off-grid.

The Bluesun 20-foot BESS Container is a powerful energy storage solution featuring battery status monitoring, event logging, dynamic balancing, and advanced protection systems. It also includes automatic fire detection and alarm systems, ensuring safe and efficient energy management. The 20FT.

Rather a Friendly Voice?

Our famous support team is here to help. It's a QUICK 10 minute phone call!  
COMPLETE SET UP! RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring.
