The Companion Rover Lithium 40AH Power Station is designed for powering portable fridge/freezers and other 12V appliances while being off-grid. Its lightweight and compact design make it a truly portable power source for your next camping adventure. Remote camping for days or weeks at a time is the.

Portable power stations are compact and rechargeable power solutions for camping, emergency backup, off-grid living, and outdoor activities. These versatile power stations feature multiple output options, including AC outlets, USB ports, and DC outputs, allowing you to charge and power laptops.

hi there, can I charge the lithum battery via the 12-volt cig adapter and run a car fridge via the Anderson output at the same time ?

Yes, the COMPANION Rover Li 40 can be charged via a 12-volt DC charger (14V 5A), and it supports simultaneous use of outputs, including the Anderson output. However.

The Companion Rover Lithium 40Ah Power Station belied its diminutive size and packed plenty of power to keep electrical gear charged on the recent Simpson Desert adventure. Image credit: Justin Walker Companion's Rover Lithium 40Ah Power Station offers plenty of portable electric grunt to ensure.

If you dream of staying off-grid for longer but still need to keep things charged, the Rover Lithium 40Ah Power Station from Companion is the trusty power solution to help turn that dream into reality. This station offers 3-way charging through AC, DC or solar via the built-in MPPT controller, and.
