

DC screen inverter installation in Hamburg Germany

Overview

Who is Kontron Solar GmbH?

Kontron Solar GmbH is now a part of Kontron AG as of 2024, and one of the top 6 solar inverter companies in Germany. The company specializes in high-end power electronics, including grid inverters, energy storage systems, and control technology for photovoltaic and fuel cell systems.

Who is solarinvert GmbH?

SolarInvert GmbH is a holding company with a long history. The production foundation of inverters was laid as early as 1995 at ZSW (Solar and Hydrogen Research Center) in Stuttgart.

Why should you choose solarinvert GmbH?

SolarInvert GmbH offers innovative solar inverters designed for optimal energy yield and stability, featuring high efficiency and integrated safety measures. Their SELVsolar Plug-In-PV systems enable easy and safe installation, allowing users to harness renewable energy directly from a standard outlet. Energie ist überall: Hol sie dir!
