Average time to receive a shipped container after placing an order with Rent-A-Container?

We generally deliver containers 5-10 days after an order is placed. If you need one sooner, just let us know and we will do all we can to get the container delivered when you need it. We will always work with.

The tilt-bed truck is ideal for moving containers up to 24 feet long or in combinations such as two 10-foot containers. Featuring the most agile turning radius of any vehicle in our fleet, this little truck is perfect for tight spaces, twisting mountain routes, and urban locations. Once the.

Here is a short video that provides a quick look at how we deliver a 20 foot container. If playback doesn't begin shortly, try restarting your device. Videos you watch may be added to the TV's watch history and influence TV recommendations. To avoid this, cancel and sign in to YouTube on your.

\$100 deposit per container secures your approximate order position in the queue once we begin commercial manufacturing in 2026. Final container pricing and delivery shipping costs are yet to be determined. Fully refundable. You will be able to complete your configuration as production nears in.

Buying a shipping container online isn't quite like ordering something that arrives in a box. When your purchase is the box—and it weighs up to 8,000 pounds—there's a bit more planning and coordination to consider. In this guide, we'll walk you through how shipping containers are delivered, the.

20' Container: At minimum of 110' of straight, unobstructed space. 40' Container: A minimum of 130' of straight, unobstructed space. Height Clearance: Driving: 14 feet. Unloading: Minimum of 22 feet of height clearance is required along the entire unloading path when the trailer is lifted. Width.
