In this section you can find clearance solar panels. These are the panels that are still in stock but in low numbers. They come with a 30-50% discount but the Return Policy does not apply to them. Basically, you can get quality solar panels for a lower price but there is a risk they'll break along.

This is your source for discount prices on solar panels by the pallet. These panels are new, A-grade, UL certified, qualify for tax credits, rebates and come with a 25 year manufacturer's performance warranty. We design and sell renewable energy systems for projects large and small, to homeowners.
