donateNYC, a program of the NYC Department of Sanitation, helps New Yorkers give goods, find goods, and do good, with tools that make it easy to donate or find used and surplus items. By donating and reusing goods instead of discarding them, New Yorkers can greatly reduce waste, conserve energy and.

Exceptional Service That's FAST and EASY! Schedule a free pickup today! Looking to make some room in your garage?

Donate drills, hammers, power tools, pliers, wrenches, and many other types of small tools. Your used tool donations can help support our charities and their programs and missions. Your.

Habitat ReStores are home improvement stores that accept small and large donations of new or gently used furniture, appliances, housewares, building materials and more. Proceeds from the sales of these items help Habitat's work in your community and around the world. Sign up for our monthly.

Goodwill allows you to donate hand tools, lawn and garden equipment and small and medium-sized power tools. Use their donation site locator tool to find the nearest drop-off point. Rooted in late-1800s England and active worldwide, The Salvation Army lends a hand to families and individuals in need.

Habitat for Humanity (Habitat) may be the biggest organization with the most direct impact that you can donate tools to. Habitat for Humanity has locations in all

50 states and is most known for low-cost home construction for low-income families and individuals. The tools you donate could literally.

Earth911 is a resource that helps you find local recycling centers that accept the items you wish to donate. They offer an extensive database of recycling facilities. Those looking to donate power or hand tools can quickly find the nearest recycling center. To find yours, enter your zip code into.
