

Fantawild solar Glass

Overview

Who is Fantawild Animation Inc?

Fantawild Animation Inc. (FAI) specializes in original animation design and production. Fantawild's five theatrical films have made over \$300 Million in the Chinese box office, making it the most successful animated company in the market.

How much money has Fantawild made?

Fantawild's five theatrical films have made over \$300 Million in the Chinese box office, making it the most successful animated company in the market. Its latest feature, The Big Shrink, has recently made the biggest box office for an animated film in 2018 with over \$95 M.

Is Fantawild a good company?

Fantawild is the only company in China to have the capability to design, construct and export theme parks. Besides that, its business also includes Special Effects Films, animations (the Boonie Bears series is the most famous one), themed performances, and consumer products.

What makes Fantawild unique?

Combining culture and technology, Fantawild has established a chain of operation integrating innovation and creativity, research and development, production, and marketing, and is now heading in the direction of mass-production, diversification, and internationalization.
