

Fiji Off-Grid Solar Container 100kWh

Overview

Where is solar Fiji located?

Lot 41-42 Pilling Road, Nasinu, Suva. Solar Fiji, supply and install the highest quality solar power systems in the South Pacific. Based in Nasinu, Suva, we specialize in Off Grid and Grid Connect Solar Power Systems and are official distributors of world leading brands such as Victron Energy, Canadian Solar, Narada Batteries and QCells.

Does Fiji have a reliable power grid?

Approximately 90% of Fiji's population has access to power, but a substantial number of rural areas are not connected to the power grid. These areas rely on intermittent and unreliable diesel generators. Unreliable services have also led to the installation of costly generators by those who need uninterrupted supply for their business.

Why should you choose solar Fiji?

As an official partner of Victron Energy, our quality solar products and services are designed to maximize the longevity of your system, providing energy efficiency and cost savings for the long term. If you're looking for a reliable and experienced renewable energy service provider in the South Pacific, look no further than Solar Fiji.
