

Fiji home energy storage

Overview

Who is island solar Fiji?

Island Solar Fiji is your trusted installer of quality solar systems and battery storage. We work with you to improve your power reliability and save the planet.

How does Fiji provide access to modern energy?

The access to modern energy to rural or remote islands and villages in Fiji is made possible by external aid; namely Chinese, Japanese, US, Korean, Turkish governments, to name a few. The technologies and expertise is provided by external aid. This assists GoF to install and commission renewable energy projects.

Where are totalenergies storage facilities located in Fiji?

TotalEnergies Marketing (Fiji) Pte Ltd. owns six storage facilities in Fiji with the main terminals located at Walu Bay and Rodwell Road in Suva and Vuda Point in Lautoka. Five (5) of these terminals and depots are operated by TotalEnergies while the remaining one (1) is managed and operated by 3rd parties.

Why should you choose island solar Fiji?

Island Solar Fiji ensures its commitment to quality and reliability by exclusively partnering with trusted and reputable solar brands. Our dedication to using trusted brands guarantees that our customers receive the highest standard of solar products and services in Fiji.
