

Fiji solar container battery brand

Overview

Pacific Batteries was established in 1965 and is a 100% Fijian, locally-owned company. The company is ISO 9001:2008 QMS Certified and has set up a battery recycling plant in 2009. 99% of Pacific Batteries' employees are locals.

Pacific Batteries was established in 1965 and is a 100% Fijian, locally-owned company. The company is ISO 9001:2008 QMS Certified and has set up a battery recycling plant in 2009. 99% of Pacific Batteries' employees are locals.

Leveraging NRG Solar's vast experience with battery storage installations and I Want Energy's expertise in residential and commercial solar systems in both Australia and PNG, the new venture aimed to offer a comprehensive range of solar solutions tailored to Fiji's unique energy needs. Island Solar.

Founded in 2008, EcoDirect is a value added distributor that helps Fijian installers, do-it-yourselfers (DIY), homeowners, businesses and commercial projects in Viti Levu, Vanua Levu, Taveuni, Kadavu and throughout the Fijian archipelago with project design, supply, logistics and technical support.

At Solar Fiji our competent staff install reliable solar-energy systems using top-quality components. We listen and learn from our customers at the same time as keeping right up to date with the latest training from our suppliers: Victron Energy, Hanwha Q-Cells and Narada Power - to name a few. All.

Some readily available equipment in Fiji includes solar panels, batteries, inverters, and charge controllers. Nevertheless, these suppliers serve a small market and may not have the capacity to supply mega-project equipment. In such a scenario, the best course of action is importing equipment from.

SOLIA VITIA will bring clean consistent solar power to the people, village communities, business, and the industries of Fiji. Power for many, has been unreliable and unaffordable. Our village community solar and battery program will provide the clean inexpensive reliable power the people need. Many.
