

Guyana Container Generator

Overview

How to ship a container to Guyana?

To ship a container to Guyana, you can choose between FCL (Full Container Load) or LCL (Less than a Container Load) shipment. iContainers offers ocean freight transport from 1 port in the United States and 1 port in Spain to Guyana's ports. Here are examples of the cheapest rates for shipping a 20-foot container: You can ship your container to Guyana with iContainers.

Which genset containers are available?

All genset containers are also available with an option for -40°C and most variants can be upgraded for $+45^{\circ}\text{C}$. A broad range of options, both mechanical and electrical, are available to ensure that our containers meet the project requirements. For example, we offer several heat recovery configurations and exhaust after treatment systems.

Are Jenbacher containers available for gas engines?

Jenbacher containers are available for Type 2, 3, 4 and 6 gas engines. Our containerized solutions ensure excellent reliability for your power and heat generation needs.

Are containerized generators reliable?

Years of use in the rental, oil and gas, mining and other heavy-duty industries have tested the reliability, usability and durability of our containerized generators. Our primary design challenges in developing this line of containerized generators were usability, reliability and functionality for the end user.
