Scott Electrical is your local electrical supplies store with an extensive range of products for sale in Auckland and across NZ.

In today's rapidly evolving electronic landscape, safeguarding devices against electrical overload and short circuits is paramount. Circuit breakers, essential components in this protective measure, offer a reliable solution for automatically interrupting current flow in the event of a fault.

Here, at RS we stock an extensive range of high-quality products within our circuit breaker range. They include various types of protection devices as well as consumer units, distribution boards and accessories. Whether you are designing and building a new system or maintaining an old one we have.

Ensure safety and reliability in your electrical systems with our range of high-quality circuit breakers. Designed to protect your home, office, or industrial setups, these electrical circuit breakers are essential for preventing overloads, short circuits, and electrical faults. From miniature.

Shop for Residual current circuit breakers, mini circuit breakers, Main switch circuit breaker and more. Trade Depot - Always Low Prices - NZ Wide Delivery .
