Langsung Electric is a global leader with over 20 years of expertise in manufacturing high-quality electrical equipment, specializing in high voltage switchgear solutions. We design, produce, and supply innovative systems for industries worldwide, with manufacturing facilities in China and Nigeria.

MAXGE Electric Technology Co., LTD specializes in the design and manufacturing of low voltage circuit breakers and control gear, which are essential components in switchgear systems for domestic and industrial protection. Their commitment to high-quality solutions and compliance with international.

High - Quality Materials: The switchgear produced by Wenzhou Shuowei Electric Co., Ltd. uses high - quality electrical materials, which ensure the stability and durability of the products. For example, the conductors are made of high - purity copper, which has low resistance and good conductivity.

Established in 1993 and headquartered in the "Electric Device Capital of China"—Yueqing Economic Development Zone, Zhejiang, Wenzhou Yuanda Electric Co., Ltd. has matured over three decades into a modern high-tech enterprise integrating R&D, production, and sales. Building upon a solid foundation.

As global demand for reliable electrical infrastructure grows, particularly in energy transition projects and industrial automation, sourcing high-quality switchgear has become a critical procurement priority. China remains the world's largest producer of switchgear equipment, offering a vast.
