If you're looking for circuit breaker buyers, then you've come to the right place. In fact, Circuit Breaker Buyers is the number one destination for anyone looking to sell circuit breakers in the United States. Moreover, we have been an American-owned business for over 20 years, proudly serving.

At Surplus Asset Buyer, we specialize in purchasing and selling high-quality electrical equipment, including circuit breakers, switchgear, transformers, panelboards, and more. Whether you're looking to offload surplus inventory or find reliable components, we offer competitive pricing and.

Our own transformer line & essential hardware always in stock — so you never wait on parts. Primary injection testing up to 4000A & secondary testing — backed by our 1-year warranty. We demagnetize, TTR test, and check resistance on every unit — keeping results below 0.5% variance from ANSI/IEEE.

A used circuit breaker, in the context of resale, typically refers to a higher-amperage commercial, industrial, or specialized residential model that was removed during an electrical upgrade, renovation, or demolition. These components are valued not for their scrap metal content but for their.

No matter the voltage of your electrical system or type of breaker you need, Surplus Record has the right circuit breaker for you! Whether you are looking for molded breakers, vacuum circuit breakers, air circuit breakers, high/low voltage breakers, Check out our 18,299 listings of new, rebuilt and.

Circuit Breaker Wholesale is on a constant quest for acquiring old, surplus, and obsolete circuit breakers and accessories. This enables us to provide our customers with an extensive inventory of breakers no longer manufactured. We also refurbish and recondition breakers from every major.
