Overview

Where to buy used shipping containers in India?

Pelican Containers is committed to delivering high-quality and durable shipping containers. Our used shipping containers for sale in India undergo rigorous inspections to meet international standards. We source used 40-foot container prices in India from reputable sources to guarantee their structural integrity and longevity.

What are the different types of shipping containers in India?

Pelican Containers provides a wide range of shipping containers, including 10-foot, 20-foot and 40-foot containers. Whether you need a standard dry container or a specialized one, we have you covered. You can find out the price of used shipping containers in India or the prices for new ones in Pelican Containers.

Why should you buy a used 40 ft container in India?

So basically, a used 40 feet container price in India is often much lower than buying a brand-new unit, which is a great way to reduce expenses. In addition to cost savings, investing in used shipping containers for sale in India also contributes to environmental sustainability.

How much does a shipping container cost in India?

The shipping container cost in India or any other country mainly depends on the grade of the shipping container. Which means investing around Rs. 2,50,000 would bring you a dedicated space of your own which could be turned into any type of room.
