

Indonesia Surabaya battery pack

Overview

Who is PT Indonesia Battery Corporation?

Founded as a joint venture among several major Indonesian and international firms, PT Indonesia Battery Corporation has quickly risen to prominence in the realm of battery technology.

Why should you choose PT Indonesia Battery Corporation?

The key advantage of PT Indonesia Battery Corporation lies in its integrated approach to manufacturing. Utilizing Indonesia's abundant nickel resources, the company maintains control over the entire production process, from raw material extraction to the final battery product.

Is Surabaya a key hub for lithium battery makers?

Surabaya, as Indonesia's second-largest city, is fast becoming a crucial hub for lithium battery makers in the archipelago.
