

Nanya 110kw high quality inverter brand

Overview

Who makes the best solar string inverter?

We review the best grid-connect solar inverters from the worlds leading manufacturers Fronius, SMA, SolarEdge, Fimer, Sungrow, Huawei, Goodwe, Solis and many more to decide who offers the highest quality and most reliable solar string inverters for residential and commercial solar.

Are SMA Solar inverters reliable?

SMA inverters have a proven track record for reliability and are generally considered one of the highest-quality inverters available. Local service and support are excellent, and SMA provides an optional 10 to 20-year extended warranty. See our detailed SMA solar Inverter review.

Who makes Sungrow solar inverters?

Founded in 1997 by a university professor, Sungrow is one of the largest suppliers of solar inverters globally and a leading Chinese inverter manufacturer. The residential SG range became very popular due to the competitive price, excellent reliability, and good reputation for service and quality.

Is Growatt a good inverter company?

Growatt has since released a vast array of updated inverters, which have had very good feedback so far, and now offers a wide range of solar and energy storage inverter solutions for residential and commercial applications.
