

# Nauru BESS Uninterruptible Power Supply

## Overview

---

An uninterruptible power supply (UPS) or uninterruptible power source is an electrical apparatus that provides emergency power to a when the input power source or fails. A UPS differs from an auxiliary or or in that it will provide near-instantaneous protection from input power interruptions, by supplying energy stored in batteri.

## Nauru BESS Uninterruptible Power Supply

### [Nauru's Complete Mobile Energy Storage Power Supply: The ...](#)

Welcome to Nauru, the world's smallest island nation facing an energy paradox - it needs complete mobile energy storage power supply solutions more urgently than New York needs ...
