

Niue Base Station Communications

Overview

What services does Niue have?

Communications in Niue include postal, telephone, internet, press and radio. Telephone service is provided by Telecom Niue, the sole provider, which services 1,100 landlines and fixed wireless lines. It also operates a cellular telephone service on the AMPS and GSM platforms. Internet users: 1,485 (December, 2020).

Does Niue have a newspaper?

Postal services are through the Niue Post Office. Niue has only one printed newspaper, the Niue Star, founded in 1993. Until 2002, the Auckland-based Pasifika Times was also circulated in Niue. Niue has free Internet service through the efforts of the Internet Users Society Niue, established 1999.

What does the Minister of infrastructure say about Niue's New Power Station?

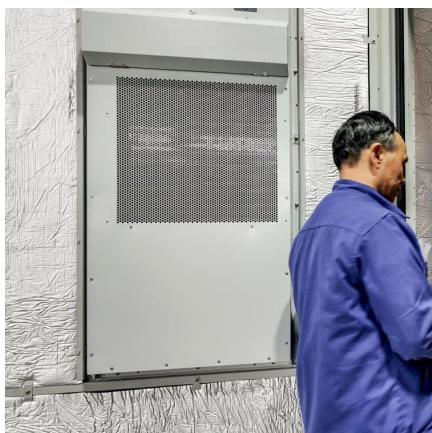

The Minister of Infrastructure, Hon. Crossley Tatui extended his appreciation to the Australian and New Zealand Governments, saying, “The construction of this new power station is a vital piece of infrastructure for Niue’s development and well-being. This achievement would not have been possible without the support of our regional partners.”.

Does Niue have free internet?

Niue has free Internet service through the efforts of the Internet Users Society Niue, established 1999. However users need to pay NZD\$25 to a local IT company to register the MAC address of their WiFi card before being able to log into this WiFi network.
