

Peru Arequipa Customs allows outdoor power supplies

Overview

Personal items that can be brought into Peru Medication, supplements, and medical devices that can be brought into Peru Electric and electronic devices incl. accessories t.

What happens if you enter Peru with unauthorized items?

Entering Peru with unauthorized restricted items can lead to fines and/or criminal prosecution. Peruvian customs regulations are a little odd when it comes to prohibited items, which aren't nearly as state-threatening as you might imagine.

Are You complying with Peru customs regulations?

Check the information below to be sure that you are complying with Peru customs regulations. Restricted to travellers 18 years and over. One of the following: or 250 grams of tobacco. 3 litres of liquor. Funds of US\$10,000 or its foreign equivalent and over must be declared.

Why does Peru have strict import regulations?

As an active participant in global trade agreements, Peru adheres to strict import regulations to safeguard the health and safety of its citizens, protect the environment, and ensure that imported goods comply with local and international standards.

What items can I bring to Peru?

Other articles for personal use or consumption or gifts with a total value of up to US\$500. In case of electric and electronic devices not mentioned above, tools or other personal equipment, only one item each is allowed to bring into Peru tax- and duty-free when the total value won't exceed US\$500.
