

# Portable Energy Storage OEM Factory in Penang Malaysia

## Overview

---

Why is Penang launching a battery plant?

Speaking at the inauguration, Penang Chief Minister Chow Kon Yeow welcomed the project as a major boost to the state's high-tech and green industry ecosystem. The plant is expected to create 1,200 skilled jobs and foster partnerships with local universities to promote research and innovation in battery technologies.

Why is Penang a good place to buy a lithium ion battery?

Penang's strategic location also ensures efficient logistics, enabling manufacturers to seamlessly distribute their products worldwide. Established in 2008, LithiumTech Solutions Sdn Bhd has cemented its position as a premier lithium ion battery manufacturer in Malaysia.

How many battery separators will Penang deliver a year?

At full capacity, the plant aims to deliver two billion sqm of battery separators annually, securing an estimated 15% share of the global market. Speaking at the inauguration, Penang Chief Minister Chow Kon Yeow welcomed the project as a major boost to the state's high-tech and green industry ecosystem.
