

# Price of solar modules including tax

## Overview

---

Solar panels cost \$3.00 to \$4.50 per watt installed on average, with homeowners spending about \$3.75 per watt before factoring in available solar incentives. A 6- to 10-kW solar panel installation costs \$12,600 to \$31,500 after the 30% federal tax credit.

Solar panels cost \$3.00 to \$4.50 per watt installed on average, with homeowners spending about \$3.75 per watt before factoring in available solar incentives. A 6- to 10-kW solar panel installation costs \$12,600 to \$31,500 after the 30% federal tax credit.

That price effectively drops to \$19,873 after considering the full federal solar tax credit. NOTE: Under the “One Big Beautiful Bill Act” signed in July 2025, the federal solar tax credit is now set to expire at the end of the year, much earlier than previously expected. You must install and pay.

The federal solar tax credit – officially called the residential clean energy credit – knocks 30% off that price tag. After this credit, your actual cost drops to approximately \$20,754 for a typical system. But there's a time-sensitive catch that could cost you thousands. Critical deadline alert:.

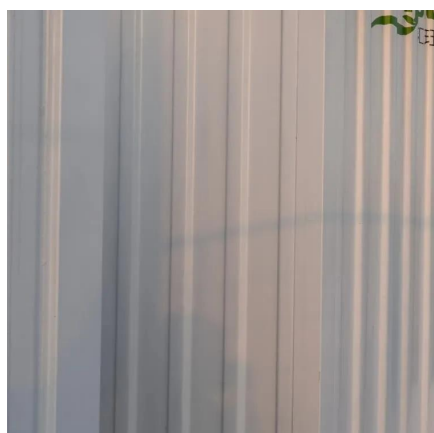

The average cost to install solar panels before tax credit is approximately \$29,360 for an 11 kW residential system in 2025, ranging from \$2.53 to \$3.15 per watt depending on your location and system specifications. Quick Cost Reference: Solar installation costs have dropped dramatically over the.

Solar panels cost \$3.00 to \$4.50 per watt installed on average, with homeowners spending about \$3.75 per watt before factoring in available solar incentives. A 6- to 10-kW solar panel installation costs \$12,600 to \$31,500 after the 30% federal tax credit. Solar panel prices depend on the size.

In previous years, homeowners could claim a federal tax credit worth 30% of their solar and/or battery expenses. While this consumer-claimed credit expired at the end of 2025, homeowners can still benefit from a business-claimed federal tax credit through third-party owned solar arrangements. These.
