

Pyongyang Electric Forklift solar container lithium battery Pack

Overview

There isn't anything special required to switch from lead-acid to lithium-ion batteries. The only retrofit requirement for installing a new Li-ion battery onto the forklift and adding the charge meter to your char.

Pyongyang Electric Forklift solar container lithium battery Pack

Benergy Impresses Korean Customer with Cutting-Edge Lithium Battery

The highlight of the visit was an up-close look at the cutting-edge forklift lithium battery packs currently in production. During the tour, the customer was introduced to the ...
