

# Qatar Group solar Glass Project

## Overview

---

Will Samsung build Qatar's largest solar project?

South Korea's Samsung C&T Engineering & Construction Group is set to build Qatar's largest solar project to date. The first gigawatt of the 2 GW project is expected to be online by the end of 2028. State-owned petroleum company QatarEnergy has picked Samsung C&T Engineering & Construction Group to build the 2 GW Dukhan solar power project.

What is Qatar's largest solar power project?

Samsung C&T E&C Group has been awarded the contract for Qatar's largest solar power project, underscoring its growing leadership in renewable energy infrastructure. Commissioned by QatarEnergy, the 2,000MW Dukhan Solar Power Project represents the largest capacity solar facility ever undertaken by a Korean construction company.

What is Samsung C&T doing with Qatar's largest solar project?

Samsung C&T secures Qatar's largest solar project, a 2,000MW facility in Dukhan covering 27<sup>sq</sup> with 2.74 million panels, strengthening its leadership in global renewable energy EPC.

How has Qatar improved its solar energy sector?

Since the launch of Al Kharsaah plant in 2022, with an initial capacity of 800 megawatts, Qatar rapidly enhanced its solar energy sector, doubling its capacity within just three years, which is a remarkable achievement in itself. Dr.
