Shop collapsible bulk containers for manufacturing, warehousing, solar, and more. Durable, reusable, and ready to ship—no order minimums. Buy now or request a quote today.

Our industrial-grade collapsible bulk containers are engineered for maximum durability and efficiency—ideal for warehousing, distribution, manufacturing, recycling, and more. Made from high-quality plastic, they're strong enough for repeated use and designed to collapse flat when empty. Have.

When a collapsible container is not in use, it can easily be folded and put away so it will not take up unnecessary space in your warehouse or factory. If the containers will be used for freight shipping, once collapsed for the return shipment, the cost of your freight will be much lower than.

Uline stocks a wide selection of Bulk Containers. Order by 6 pm for same day shipping. Huge Catalog! Over 43,000 products in stock. 14 locations across USA, Canada and Mexico for fast delivery of Bulk Containers.

Bulk Collapsible Containers are high pressure injection-mold containers offering the best strength-to-weight ratios available. The unique welded base provides structural integrity. Strong ergonomic plastic latches won't rust. Hinges allow access door to drop flush against the containers. Strong.

COLLAPSECON is the next evolution of shipping containers - a fully automated collapsible container that will improve operational efficiencies, deliver economic savings and reduce environmental impact across the supply chain, all without requiring a fundamental change to the industry or global.

At Container Exchanger, we make it easy for you to buy new or used collapsible plastic bulk containers for sale. Used units are in excellent condition—and can save you up to 40% compared to new ones. It's a great way to cut costs without cutting corners. Need 50 containers?

Or 500?

We've got you. What are collapsible bulk containers used for?

Collapsible bulk containers offer straightforward access to parts on assembly lines and efficient component transport within supply chains. They are a staple in the automotive and manufacturing sectors.

When is it useful to use a collapsible container?

Collapsible containers are beneficial when storage or return freight is a concern. When not in use, they can easily be folded and put away to save space in your warehouse or factory.

Can I rent collapsible bulk containers?

Yes, our collapsible bulk containers are available for rent if you only need them for a one-way shipment or for a short time. In addition to new containers, we also offer used ones to help you get more value on quality products.

Are plastic collapsible bulk containers sustainable?

Our plastic collapsible bulk containers are an excellent choice for companies focused on zero-waste strategies and carbon footprint reduction. As part of a sustainable approach to business, they are also recyclable at the end of their life cycle.
