Shop collapsible bulk containers for manufacturing, warehousing, solar, and more. Durable, reusable, and ready to ship—no order minimums. Buy now or request a quote today.

Our industrial-grade collapsible bulk containers are engineered for maximum durability and efficiency—ideal for warehousing, distribution, manufacturing, recycling, and more. Made from high-quality plastic, they're strong enough for repeated use and designed to collapse flat when empty. Have.

Designed for seamless utility in manufacturing, distribution, warehousing, farming, and logistics, our American made collapsible containers provide both durability and functionality. A staple in the automotive and manufacturing sectors, these collapsible containers offer straightforward access to.

Green Processing Company provides affordable, high-quality used plastic containers to businesses across Canada and the U.S. With 20+ years of experience, we help companies cut costs and waste through reliable, eco-friendly material handling solutions. All containers are inspected, cleaned, and.

Collapsible containers can provide strong, secure material handling with minimal space. Our knockdown containers are durable and reusable, providing optimal storage and stacking. What are Collapsible Bulk Containers (Knockdown Containers)?

Collapsible bulk containers, also known as knockdown.

DuraGreen® collapsible bulk containers are space-saving containers engineered for durability and longevity. These containers are made of high-density polyethylene (HDPE), a durable material that will protect your products throughout the duration of the container's life. DuraGreen® collapsible.

Collapses nearly flat to increase volume efficiency, return ratios and reduce costs.

Easy-to-use, assembles in two steps. Superior stacking strength and durability. Reduces packaging costs and waste. 48 x 40 GMA pallet compatibility. Cross-stacks to increase load stability. Point-of-purchase.
