

# Solar Onsite Energy Factory Direct

## Overview

---

When a solar system is installed directly on the purchaser's property, and the renewable energy that it produces is consumed there, it's considered an onsite system. There are a couple ways to go about ins.

## Solar Onsite Energy Factory Direct

---

### Onsite Solar , ENGIE Impact

On-site solar refers to the installation of solar energy systems directly at the location where the energy will be used, such as homes, businesses, or institutions.
