

Solar lighting for campsites

Overview

Most solar lanterns, string lights, or spotlights are lightweight and compact, making them ideal for backpackers, tent campers, or RV travelers with limited storage space. If you're camping off-grid or dry camping with your RV, solar lighting can save you money in the long run.

Most solar lanterns, string lights, or spotlights are lightweight and compact, making them ideal for backpackers, tent campers, or RV travelers with limited storage space. If you're camping off-grid or dry camping with your RV, solar lighting can save you money in the long run.
