

Stockholm Solar solar container communication station 372KWh

Overview

885 solar panels
Total solar cell system surface area: 1,400 m²
Maximum power output: 225 kW.

Stockholm Solar solar container communication station 372KWh

Stockholm Norvik Port launches Sweden's largest port solar cell ...

Stockholm Norvik Port was completed in 2020 and has been designed to have the least possible environmental impact. All of the buildings are constructed according to the ...
