

# Uzbekistan Industrial Uninterruptible Power Supply BESS

## Overview

---

Is Uzbekistan set for 1 GW of battery energy storage systems?

Uzbekistan is set for almost 1 GW of battery energy storage systems (BESS) after Japan's Sumitomo Corporation agreed to acquire a 49% stake in five big clean energy projects which will be worth a total \$4.2 billion.

What is ACWA Power doing with Uzbekistan?

ACWA Power has entered an IA) with Uzbekistan's Ministry of Energy to develop 2GWh of standalone BESS capacity across the country.

How much electricity is produced in Uzbekistan?

In 2019, the installed capacity of electricity generation in Uzbekistan totalled 63 TWh, with natural gas fired thermal power plants accounting for 85% of this production.

What is ACWA's partnership with Uzbekistan?

The agreement is a milestone in ACWA's ongoing partnership with Uzbekistan. Uzbekistan embraces advanced technologies to strengthen its power grid and boost renewable energy integration. Credit: Es sarawuth/Shutterstock.
