PCS is a leader in Sustainable Energy solutions, primarily in solar-battery and solar-hybrid systems. With local experience in both ongrid and offgrid solutions for residential and commercial sites, our design engineers are well-postured to customise a power solution to meet all customers needs.

In Vanuatu, grid power is one of the most expensive in the world. Our solar power systems offer a cost-effective alternative, significantly reducing your electricity expenses and providing a more affordable energy solution. Our portable solar generators bring reliable electricity to even the most.

Independent Energy Ltd provides fully integrated solar, battery, and generator systems to power homes, businesses, and communities with reliable and cost-effective energy—on-grid or off-grid. Your Energy, Guaranteed. Reliable solar, battery, and generator systems—custom-built for homes, businesses.
