

# Victoria Outdoor Power Assembly Lithium

## Overview

---

Can electric vehicle lithium-ion be used outdoors?

From commercial landscaping to autonomous delivery, lithium-ion batteries from electric vehicles are heading outdoors. American Battery Solutions offers low-voltage batteries for outdoor power equipment in 48v and 24v battery systems, with efficient and effective options in a variety of configurations.

Are lithium-ion batteries good for outdoor power equipment?

Lithium-ion batteries for outdoor power equipment require no maintenance and provide robust durability, extending the life of your valuable equipment. At American Battery Solutions, we offer batteries designed to meet your specific needs.

Do you offer low-voltage batteries for outdoor power equipment?

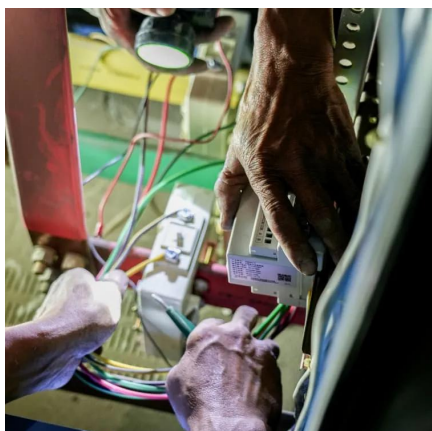

At American Battery Solutions, we offer low-voltage batteries for outdoor power equipment in 48v and 24v battery systems\*. These efficient and effective options come in a variety of configurations. What's more, our lithium-ion batteries for outdoor power equipment require no maintenance and provide robust durability, extending the life of your valuable equipment.

What is a lithium Superpack LiFePO4?

Lithium SuperPack LiFePO4 - stores and distributes energy. Battery Protector. Safeguards battery power by disconnecting DC loads to prevent complete discharge. Battery Monitor. BMV. Monitors energy consumption and remaining battery power.

## Victoria Outdoor Power Assembly Lithium

### Energize your next RV adventure

The unique PowerAssist feature energizes devices in scenarios with limited grid or generator power, blending power sources like grid POWERASSIST and battery for additional power ...
