Supercell, Poromagia, Swappie, Levykauppa Äx, Konsolinet, Power Itis Helsinki, Apple valtuutettu näyttönvaihto, Rajala Pro Shop, Power Helsinki Stockmann, KTverkkokauppa.

Here is a list of stores in and around Helsinki city center where you can find various electronic goods and devices. Power is one of the largest electronics chains in the Nordic countries, with over 40 stores in Finland alone. You can find a wide range of products here, from home electronics to.

Our technicians use the market's best replacement parts to match your phone's original parts. All maintenance has a two-year warranty, except for battery replacements and moisture damage repairs. See frequently asked questions about repairing services Our services can also be pre-purchased online.

I've used iTapsa repair services around 4 - 5 times, few times to fix my iPhone screen, change the battery, the mic and the lightning port. The service has each time been excellent, they know what they're doing and they do it rather quick, I've avoided rush hours so its been ready in 30 - 40 minutes.

Mobila Electronics Oy is a Finnish phone service services specialist founded in 2010. Our staff has experience in servicing mobile phones for four different decades. During our more than 10-year history, we have served our customers with high professionalism, now join our satisfied customers! We at.

The easiest option is to go to R-kioski, as shops are scattered all over Helsinki, and you can find them at Helsinki Airport. You'll find some mobile phone repair shops ready to fix your device without needing an appointment. These shops help with sudden mishaps, such as a screen crack from a fall, which often voids the manufacturer's warranty.

Where to buy electronics in Helsinki?

Here is a list of stores in and around Helsinki city center where you can find various electronic goods and devices. Power is one of the largest electronics chains in the Nordic countries, with over 40 stores in Finland alone. You can find a wide range of products here, from home electronics to telecommunications and data products.

Where can I buy mobile phones in Helsinki?

The major Finnish operators, Elisa, DNA, and Telia, have outlets across the city center for accessories, phones, and prepaid mobile phone plans. You can also find them in almost every shopping center in Helsinki, including Kamppi and Forum.

Where to buy Apple products in Helsinki?

It operates two stores in the city center. Tector is another Apple Premium Reseller located in Helsinki, situated on the ground floor of the Citycenter shopping mall. This store also houses an authorized Apple service provider, allowing you to get your Apple devices serviced without needing an appointment.
