

Wholesale switchgear breaker in Belgium

Overview

Who is SGC switchgear?

SGC produces and distributes medium voltage switchgear worldwide. We are a specialist in medium voltage and supply reliable products for electrical distribution. We are a global mv manufacturer, founded in Belgium and aim to be the premium switchgear supplier in every market that we serve.

Where are switchgears made?

Each and every switchgear is built in this single factory in Belgium and our engineers are literally just one feet away from the production floor. Supervisors and managers are out on the floor. When a change needs to happen, they can be on the assembly line instantly implementing those changes.

What should you consider when exploring the switchgear industry in Belgium?

When exploring the Switchgear industry in Belgium, several key considerations should be kept in mind. The sector is highly regulated, with compliance to European Union standards and national regulations being paramount.

Is circuit breaker sales environmentally certified?

Circuit Breaker Sales is also environmentally certified. It has a fully developed and implemented ISO 14001-compliant environment management system and has been issued ISO 14001:2004 certification. Circuit Breaker Sales and Advanced Electrical & Motor Controls are members of PEARL - the Professional Electrical Apparatus Recycling League.
