

Xiaomi solar container outdoor power self-operated sales

Overview

Xiaomi is launching the Solar Outdoor Camera BW400 Pro Set, a new outdoor security camera that comes with a base station for local storage. It can also be operated independently of the power grid thanks to solar power and a rechargeable battery.

Xiaomi is launching the Solar Outdoor Camera BW400 Pro Set, a new outdoor security camera that comes with a base station for local storage. It can also be operated independently of the power grid thanks to solar power and a rechargeable battery.

Local filtering algorithms, low-power consumption technical architecture, and BaseStation reduce power consumption for more power-efficient real-time monitoring performance. Power-efficient communication between the camera and the base station without the need for a router provides more flexible.
