

Zte solar container battery

Zte solar container battery

ZXDC48 FB500

ZXDC48 FB500 (III) series lithium-ion battery is designed to be backup or cyclic use product (50Ah) for different scenarios with good or poor grid, and provides -48VDC power for equipment.

Power Solution

In areas of poor grid or no grid, the system intelligently schedules solar power, diesel generators, grid, and lithium battery, greatly reducing the working time of diesel generators and reducing ...
